Coatingtastic ADVANTAGE (for general contractors)

1. We quote all projects on time and before the due date
2. We will work with you in case the project is over budget and cost saving options are required
3. We are competitive so you can always rely on our number
4. We will provide detailed quote referring to each item with markups to avoid any confusions
5. We will communicate properly before you send us the purchase order to make sure we are on same page
6. We don't cut corner and the work will be done keeping quality in mind and on time

So do reach out to us for tender opportunities. All tender inquiries can be sent directly to estimating@coatingtastic.com. We are also on Building Connected. We look forward to working with you...
